Silent Auction Wine Raffle

To our Members: The FACC is grateful for 36 years of sponsorships, donations, entertainment and amazing vendors and guests. We wouldn't be here without you! We want to continue our work and keep this Chamber growing in the international community for many years, so we ask you to consider this event, the only fundraiser we are able to hold all year, as a way of giving forward to what we will become. If your company has done well or if you possibly have unused marketing dollars, please consider sponsorship or a donation to the silent auction or wine raffle. Merci.
