### To our Gourmet, Wine & Fashion Exhibitors

First and foremost, we support your business and pray your families & staff are well.  
We wish to thank you for all the years of support to promote our main fundraiser,  
Taste of France (Beaujolais Festival/Beaujolais & Beyond).

#### Did you know that the Beaujolais Festival Dallas was once the largest in the World?

Dallas has held a long-term love affair with La France, and many of you have supported this event for decades.  
Merci Beaucoup!

Because we can't hold the festival in person, we are asking exhibitors to  
keep the love affair alive with

**Taste of France...*Dallas Style!*** promotions on our website & on social media.

#### **There is no cost to participate.**

To fundraise this year, we will host an online silent auction & wine raffle. There are no strings attached, but who knows, we may create a larger week-long promotion and continue that growth for the future.

The French-American Chamber of Commerce is a 501c6 nonprofit and, like all Chambers of Commerce, we are not eligible to receive funding through the CARES Act. This year has been devastating to all of us, however, Chambers will continue to serve business communities. The FACC works to support transatlantic trade through events, networking, business services and educational webinars.
